Codes of Conduct and Behavior For Parents:

Player/Parent → Coach → Club Director

Parents hereby pledge to abide by the following Code of Ethics:

Player/Participant's Name: _____

1. I will encourage good sportsmanship by demonstrating positive support for all players, coaches, officials and fellow parents at every tournament, game, practice or other Club V.I.P. event.
2. I will place the emotional and physical well being of my child ahead of my personal opinion and/or desire to win. I understand that for a team to grow and prosper individuals must give more than they take. I will make a commitment to be a giver.
3. I will support coaches and officials working with my child in order to encourage a positive and enjoyable experience for all.
4. I realize that the use of alcohol, tobacco or illegal substances could result in immediate dismissal from Club V.I.P.
5. "24-Hour Rule" shall be defined as the agreement to refrain from contacting coaches, directors, for a minimum of 24 hours, to initiate filing any complaint following an incident, suspected problem or issue involving my child, the team or coach. The 24-Hour period shall be defined as the next business day following any incident. Should the incident occur on a weekend, Tuesday will be regarded as the first available day of contact.
6. I will be positive and refrain from any public outburst that could be detrimental to the Team of Club V.I.P. program, my child, her coach or any of her teammates. I will handle any complaints in a professional manner and will observe the "24-Hour" rule. At no time will a coach be verbally attacked or approached about such issues at any tournament or practice.
7. I understand that practice is for players and is a key learning period. It is also a time for an athlete to be away from parental pressure to perform. Parents are not permitted to participate in practices, player huddles, team meetings, etc.

8. I also understand that the coach has my child's best interest in mind and is the professional in charge of the team. I will refrain from distracting my child by not talking to and/or not making gestures toward her during practice, tournaments and team meetings except for positive encouragement.

9. The practice prior to any tournament must be attended to be eligible to play in the first game or match in that tournament. Exceptions will be at the sole discretion of the coach and/or Director of Coaching.

10. I understand that every player may not receive equal playing time in tournaments due to various factors in competition (i.e. attempting to qualify for Nationals, seeding for NCVA, coaching decisions, excessive missed practice time, illness, injury, etc.)

11. Criticizing an athlete, coach or team in public is not acceptable. If you have something to say, discuss it within the parameters of the entire team or with the specific individual. Gossip is divisive and creates separation. I agree that should someone approach me with a problem or rumor that does not directly involve me, I will encourage them to go directly to the person it does involve (i.e. the coach, another parent, directors of Coast, etc.).

12. I realize that Club V.I.P. is an excellence program and we are committing our financial support for the entire season, even if our daughter chooses to leave the program.

Attendance Commitment:

Being a member of the Club V.I.P. Volleyball Club requires a commitment to being the very best person I can be...both on and off the court. In order to establish strong team ties with my respective teammates and coaches, I must realize the importance of regular attendance. Attendance is critical as volleyball is a pure team sport, and teams cannot function well without all their personnel.

The Club V.I.P. teams practice and/or play 2 times a week for the entire length of the program. Attendance is extremely important.

The following absences are excused only if the player or parent notifies the coaching staff two weeks prior to the practice or tournament to be missed; religious observance, academic emergencies, medical situation.

The only absences that are considered excused without a 2-week prior notification will be illness, or a death in the family, provided that a parent contacts the coaching staff prior to the practice or tournament within a 24-hour period. Excessive excused absences will be discussed with the player to determine commitment to the program. Poor attendance may result in decreased playing time.

If a player does not notify the coaching staff prior to an absence it will be considered a cut. There are no refunds on any absences and/or cuts from practices or tournaments.

If a parent is late in picking up any player or players, the club will not assume responsibility of a player or players before a practice/tournament starts or after a practice/tournament is over.

I have read and understand, and hereby agree to abide by the policies governing attendance in the Club V.I.P. Volleyball Program.

Playing Time Agreement:

A core Club V.I.P. goal is the continuous development and improvement of player skills – individual, team, physical, and mental aspects. From Basic Skills to elite Travel teams, there is always opportunity for players to improve. The primary goal of coaches is to actively work with all players equally to set goals at their individual level and continuously enhance proficiency in a positive and fun environment. Building on this effort coaches are charged with fielding strong cohesive teams.

To the extent a player demonstrates to his or her coach the ability, effort, and positive team-oriented attitude, he or she will enhance his or her playing time opportunities. Ultimately team deployment on the court is a coaching decision based on the game situation at hand.

Participation in club volleyball should be a fun and rewarding experience and playing time is certainly an important component. But it is also fun and rewarding for a player when his or her team excels and wins.

Playing time is not guaranteed. It is a privilege and not a right. Please consider that you are actually paying for practices. However, it is usually in the best interests of the team for everyone to receive an earned amount of playing time. Every effort by the coaches and club directors will be made to ensure appropriate playing time for all participants on all teams. On Power teams playing time will be determined by the most competitive line up. If you have questions about playing time feel free to ask the coach. Club V.I.P. is committed to providing each of its players with an equitable opportunity to participate in all practice sessions, as well as regular rotation of team members at tournaments. This can be contingent upon level of commitment, skill and ability, work ethic, and attendance at practices. There will be a higher priority for success placed on our more advanced teams.
